GEHRING PRODUCTS continues to refine its Sorbents by using the latest high quality materials and innovative concepts made here in the USA. These measures have proven to offer customers greater adsorption capacity and durable performance. Please review this partial listing of our products, and if you don't see exactly what you need.....just call!

Oil Only

Products contain polypropylene filler which adsorbs hydrocarbons, but repel water. Our boom, mats, pillows and rolls are among the most effective adsorbents in the industry.

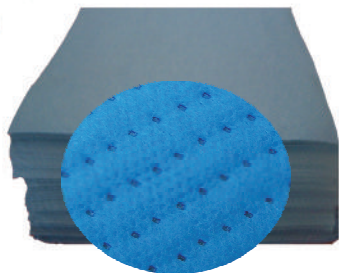

Universal & Maintenance

Decisions surrounding the right type of sorbent for a particular spill are solved when using our Universal sorbents, they are “worry-free” as both non-aggressive and hazardous types of fluids such as acids, caustics and solvents are adsorbed. The fill is treated with a surfactant which transforms the naturally “hydrophobic” polypropylene.

Our Maintenance sorbents contain cellulose filler which absorb “ non-aggressive” fluids, such as oil, water and coolants. Utilized primarily in industrial settings, they are the most cost effective in the battle to control spills and leaks.

414U

Recyclable Trax and Ruffsorb

Times change, but costs continue to climb. These products come in both Universal and Oil Only styles and can be cleaned professionally numerous times. If your fluid control issues regularly repeat, consider these and save.

Business must assume ever-increasing environmental responsibilities. This means properly addressing the concerns of government and the public in general, by finding effective ways to control and clean-up leaks and spills. In those situations, GEHRING'S products can provide responsible solutions.

GLOVES - Nitrile // Nitrile Dot // Neoprene // Latex // Rubber // Leather // Drivers // Machine Knit // Jersey // Canvas // Disposables // PVC // Vinyl // Cotton // Kevlar // Terrycloth

SAFETY PRODUCTS - High Visibility Safety Vests//Aprons // Cooling Protection // Coveralls // Disposable Clothing // Footwear // Hazmat Protection // Hard Hats // Face Shields // Ear Plugs // Ear Muffs // Safety Glasses// Goggles//Lens Cleaners//Eyewash Stations// Rainwear // Sleeves // Back Supports // First-Aid Kits

SPILL CONTROL & CONTAINMENT

Custom Kits available

95 Gallon Spill Kit - Polyethylene Container with Screw or Lock Ring Top. Contents - 8 Socks, 4 Booms, 75 Mats, 8 Pillows, 10 Wipes, 4 Pair of 12" Nitrile Gloves, 8 Disposable Bags

Oil Only - P/N-95GAL-P

Universal - P/N-95GAL-U

Vehicle Spill Kits

Vinyl Zippered Bag for easy access. Contents - 30 Mats, 3 Socks, Safety Splash Glasses, 1 Pair Disposable Nitrile Gloves, 2 Disposable Bags. Vulcan Dry and 4u2 Putty Patches available as an option.

Premium Oil Only - P/N 7000

Economy Oil Only - P/N 7003

Premium Universal - P/N 8000

Economy Universal - P/N 8003

55 Gallon Spill Kit - Blue open head drum, Lever Lock w/fittings. Contents - 100 Mats, 2 Booms, 4 Socks, 4 Pillows, 2 Pair Nitrile Gloves, 5 Disposable Bags.

Oil Only - P/N-Kit-55GAL-O

Universal - P/N-Kit-55GAL-U

20 Gallon Spill Kit - Polyethylene Container with Screw or Lock Ring Top. Contents - 4 Socks, 1 Boom, 20 Mats, 2 Pillows, 2 Pairs Disposable Nitrile Gloves, 4 Disposal Bags.

Oil Only - P/N-20GAL-P

Universal - P/N-20GAL-U

Custom Spill Kit Cabinet

Ideal for storing your custom spill supplies

Adjustable Storm Drain Inserts

Inserts help companies comply with Storm Water Pollution Prevention Plans by protecting storm drains and catch basins. It's the sure way to catch oil and sediment

headed into storm drains and sewers. Equipped with an oil-absorbent media in a screened bag, the inserts guard against any potential discharge. Call for available sizes.

Drain Covers

An essential component of any emergency response plan is the PVC-Based Drain Covers. They come in 18", 24", 36" and 42" squares.

Spill Platforms & Pallets

The most flexible and comprehensive spill protection, containment and storage products on the market today. Polyethylene construction for excellent chemical resistance.

Flammable Storage Cabinets

FM approved. Securely store and organize flammable liquids. Available in red and yellow with additional shelves to maximize storage space. Capacity is based on the number of 1 gallon containers the cabinet will hold.

Steel Drums and Buckets

Assorted sizes and specifications to suit your needs.

PATRIOT HAND PROTECTION PRODUCTS

Patriot P/N 5600SC

The "*Patriot*" PVC coated glove is able to withstand demanding conditions. Featuring a safety cuff for added protection of wrists, a sandy finish for a firm secure grip and jersey lined. The gloves are treated with Acti-fresh to help fight odors.

The "*Sentry*" is a winter version of the "Patriot." The bright Orange PVC comes with a "Sandy Finish" and features Jersey Lining over Foam Insulation to keep hands warm and dry. The Safety Cuff provides added protection.

Sentry P/N 5600OR

Go to our website <http://www.gehringprds.com>. Click on the Links to check out each line. While many gloves may look the same, be advised that their are levels of quality. Select the type of glove you're interested in then, rely on your GEHRING sales person to "fit" you with quality you want!

Synthetic Coated gloves are great for protection against solvents and chemical resistance, abrasions, cuts and punctures. The glove shell can be dipped into a polymer or the material can be dipped into a polymer before the glove is sewn. The work applications determine which glove option is the best choice for your hand protection needs.

PVC Dipped

Supported Nitrile

Leather Drivers & Work gloves made of Cowhide, Pigskin, Goatskin and Deerskin are best for protection from rough objects, sparks and heat, and for cushioning from blows in heavy duty work requirements. Leather provide comfort, durability, dexterity, mild heat resistance and abrasion protection.

Cow, Pig & Goat
Leather Drivers

String Knits

Unsupported gloves such as Nitrile, Latex, Butyl, Neoprene and d are best when there is a need for greater dexterity in applications requiring mild chemical protection. The gauge identifies the mil thickness of the glove. A thin gauge allows a sense of touch and a heavy gauge provides greater protection and durability.

Unsupported
Neoprene

Unsupported
Nitrile

Unsupported
Butyl

String knit gloves are used for general purpose work applications and can provide cut and abrasion resistance, using high performance yarns, to further protect the hands when working with sharp objects. Various material weights provide longer durability or additional dexterity where needed. Some styles may be dipped or coated with a polymer to provide a better grip and increase durability.

Disposable Nitrile, Vinyl and Latex Available in 4 Thru 8 mil thickness, textured finish for better grip. Resistance to a wide variety of chemicals Powdered or Non Powdered and are ambidextrous.

GEHRING PRODUCTS distributes the innovative designs from several suppliers. Memphis - Best - Kimberly-Clark - Ansell - Cordova - Truline - Microflex - Westchester

PROTECTIVE CLOTHING

High Visibility Safety Vests

A high-intensity orange or lime mesh vest with or without stripes. Mesh is tightly woven. Class I, II & III available in many styles sizes up to 5X

Class 3, ANSI/ISEA 107-2010, Hooded Sweat Shirt, Orange 300-Gram Polyester Fleece Fabric, Birdseye Polyester Lined Hood, Zipper Closure, 2-Inch Reflective Tape, Black Knit Wrists & Pouch Pockets, Sizes: M-5XL

New Fire Retardant Safety Vests

Limited FR (NFPA 701), Class 2 Safety Vest, ANSI/ISEA 107, Polyester Mesh, Hook & Loop Closure, 2-Inch Reflective Tape, Pockets: One Outside Chest with 3-Division Pen Pocket, One Outside Lower, One Inside Lower, Mic Tab, Sizes: M-5XL

V231PFR & 230PFR CLASS 2-FR

Nomex III A Flame-Resistant Coverall

Full Featured Coverall with elastic waistband, byswing back, pass - throughs, concealed brass zipper front closure, concealed snap closures. Made in 7oz, 9 oz. and 12 oz. fabric.

The Slush Boot

Provides 100% waterproof protection Designed to fit easily over shoes or boots.

Ideal for construction, road work, utilities, environmental cleanup, remediation.

High Visibility Coat

107 Compliant Class III, Level II Performance Lightweight, Water-Proof Poly-Urethane Outer Shell Knitted Polyester Lining for Comfort.

Rain-Wear

Constructed from PVC on polyester for light to medium applications. Loaded with features such as vented cape back and adjustable Snap closures on wrist and ankles for a great fit and wide range of motion. Available in 1, 2, or 3 piece suits.

PVC Boots & Steel Toe Boots

Heavy Duty 16" Black PVC Boot provides excellent barrier protection from liquids and chemicals. Available with or without reinforced Steel Toe and Steel shank from arch to heel.

POSIWEAR

An alternative to Tyvek. All POSIWEAR is manufactured with serged seams. POSIWEAR is lower in cost than DuPont Tyvek® and Tyvek®QC.

PERSONAL PROTECTION

First Aid Kits

Ideal for contractors, fleet vehicles, and work sites. All kits meet or exceed OSHA recommendations.

10 Person First Aid Kits

This Kit contains; Sterile Pads, Alcohol Prep Pads, Antiseptic Towelettes, Aspirin, Instant Cold Pack, 2" Gauze Roll, Non-Adherent Pad, Oval Eye Pads, First Aid & Burn Cream, Fingertip Bandage, Assorted Sized Gauze Pads, Gloves, Plastic Adhesive Strips, Scissors, Splinter Forceps, Adhesive Tape, Triangular Bandage with Safety Pins, First Aid Guide in English & Spanish.

25 Person First Aid Kits

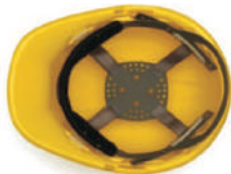

This Kit contains; Sterile Pads, Alcohol Prep Pads, Antiseptic Towelettes, Insect Sting Wipes, Aspirin, Instant Cold Pack, 2" Gauze Roll, Non-Adherent Pad, Oval Eye Pads, Antibiotic Ointment, Fabric Fingertip, Knuckle Adhesive Strips, Gauze Pads, Gloves, Adhesive Strips, Eye Wash, Scissors, Disposable Tweezers, 2" Elastic Stretch Bandage, Adhesive Tape, Triangular Bandage with Safety Pins, First Aid Guide in English & Spanish.

Bloodborne Pathogens Bio-Haz Response Kit - This kit contains personal protection plus items used for clean-up of bodily-fluids spills. Packaged in a plastic case for portability or can be mounted to a wall.

Hard Hats and Bump Caps

Choice of 6-point or 4-point nylon suspension. Your choice of pin lock or ratchet style fit adjustment.

Safety Eye Wear

Go to www.gehringprds.com for our full listing.

Eyesaline® Wall Station

This durable wall station is readily available for emergency flushing of eye contaminants. Provides immediate relief in eye emergency flushing situations. The bottles are designed for single use with snap-off tops.

Lens Cleaning Towelettes

Your choice individually packed, anti-fog & anti-static Towelettes 100 packs per box or 100 Towelettes in a container.

Ear Protection

Whether you need corded, un-corded or ear muffs we can get what you need to protect your hearing.

SPECIALTY SUPPLIES

SpillRemed (Industrial)

- Is a one stop solution for fuel oil releases in soil and water. It is effective on spills of gasoline, diesel, No 2 heating oil, jet fuel and kerosene in soil, concrete and in containment ponds; with no waste disposal after treatment. Use SpillRemed on concrete in the ratio of 1 gallon to

100 square feet, in soil at the rate of 1 gallon for 20 square feet and in water the ratio is 1 gallon for every 10 gallons of fuel.

SpillRemed (Marine) is included in the National Contingency Product list of the US EPA for use on open water oil spills. It is also effective on weathered oils and so can be introduced at any time during cleanup. SpillRemed can be used for restoration of contaminated coastline and has been found to provide an excellent pre-treatment agent for feathers of oiled birds. SpillRemed does not leave any residue or waste for disposal.

Water Finding Paste

Available in 2.5 oz. Tubes

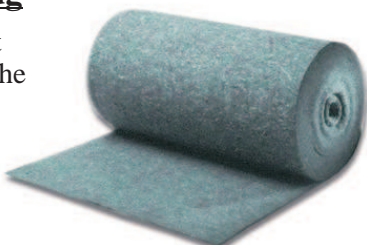

Modified Kolor Kut

Phase separated alcohol solutions with as little as 6% water will turn the paste. Designed for the use in reformulated and oxygenated fuel systems. Accurately detect phase separation in ethanol blend applications. Used for all petroleum fuels, including ethanol and methanol blends, diesel, kerosene, #2 oil, JP-4, JP-5 & more.

NEW....Ruff Rag Rug

Rag Rug is both absorbent and durable. It's made in the USA of recycled fibers. Therefore, it soaks up all liquids making it ideal for maintenance, repair, and industrial environments.

36" x 150' Roll

Vulcan Dry

A specially processed pumicite, a volcanic material used to adsorb oil and grease. Available in 2 lb or 2 2 gal buckets. It's non-toxic, clean, odorless, inert inorganic and non-corrosive. Vulcan Dry works at once with no waiting for it to absorb and you'll use up to 1/2 less than clay type kitty litter. Just spread it lightly over the oil, work it in, then scoop it up and discard. Put the power of the earth to work for you! 2 lb canister available as an

4 u2 Putty Patch - A Smart Option

4" x 4" patch. A non toxic combination of high water-absorption polymer in a bentonite base. Material which forms an immediate seal to temporarily control flammable and/or hazardous leaks and spills. 4u2 is available as an option in Vehicle Spill Kits.

Tough Towels™

Hand Cleansing Wipes

Heavy Duty Tough Towels do not require water to remove industrial dirt and grime. The skin-friendly solvent on each towel takes care of epoxy, ink, tar, caulks, and sealants.

- Contains conditioners that moisturize the skin.

- Top dispensing tub allows for easy access.
- 150 disposable towels per container. 4/CASE
- P/N – DEB 04150

Rags Great for just about any wiping application, available in Sweat Shirt or White T-Shirt grade.

P/N Rag101 - Sweatshirt pre-consumer 50lbs/Box

P/N Rag102 - T-Shirt pre-consumer product 25lbs/Box

SPECIALTY PRODUCTS

Safety Cones & Traffic Triangles

Choice of 18", 28" or 36"

Fluorescent orange traffic cones are highly visible. Available with or without Reflective collar

Warning Triangles

Contains 3 warning triangles with hinged box. A weighted base insures triangle will not be moved by passing traffic.

Barrier Tapes

Lock-Out Equipment & KITS

Lanyards

This 6' lanyard features a special woven shock-absorbing inner core to reduce fall arrest forces.

Wheel Chocks

All types and sizes made of Rubber, Steel/Aluminum, Molded Urethane or Plastic.

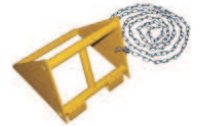

Textured treadplate to provide traction

Aluminum

Molded Urethane

Open face radius for any size tire.

Go to www.gehringprds.com for our full listing.
